

Mrs. Smith!  
 I can honestly  
 say it has been a  
 pleasure to get to know  
 you this year. You are a wonder-  
 ful person and a pleasure to have  
 worked with you in Duettes. Thank  
 you for helping us beat Rotary! I'm  
 going to miss you. Thanks again!

Mrs Smith  
 I really enjoyed  
 this year! And you  
 really made it nicer  
 for me! I hope you  
 have a nice summer  
 and good luck in  
 all your years to  
 come  
 Love ya  
 Nancy Daldana

Mrs. Smith:

It's been great knowing you  
 & all I can say is thanks for  
 helping me out. I'll try to  
 drop by and tell you how everything's  
 going.

MRS. Smith  
 I really believe  
 you are the best  
 I could find at Hollywood  
 High School. I feel  
 you have done a lot  
 for myself and  
 other students as  
 well. I'm really  
 sorry to see you  
 leave Hollywood.  
 I wish you  
 the best of luck.

Leta,  
 I will miss  
 your smile and  
 the obvious gentle  
 and caring person  
 that you are.  
 Velma & I agree and  
 on and on - it  
 will change  
 - think of  
 those you leave  
 behind - you have  
 left a positive change  
 on many people - not  
 just with you.

...the way it was in '76

Oh, no, not more of that bicentennial... wait! ...pause a moment...think of the significance of our theme. True, everywhere you look, the bicentennial is heralded, hawked, and exploited. Yearbooks across the country are using the bicentennial as a theme...and justly so. Stop and reflect upon the fruits of our heritage. It's a part of each of us, a part of the school. It is because of our heritage that we have schools where students, as well as teachers, can voice their opinions. It is because of our heritage that we can be taught and learn what we choose without fear, and it is because of our heritage that we have democratic leaders, leaders who not only try to mold students into worthwhile Americans, but also give them the freedom to grow and develop as their talents and abilities permit.

...the way it was in '76

As the bicentennial draws closer, the tension, excitement, and expectation mounts. Reflected in the school's activities and sports is the spirit of freedom, fair play, and energy characteristic of Americans. At the very foundation of our heritage lay these characteristics, for had not the colonists of 1776 possessed the spirit of freedom and fair play to resist the tyranny of England and had they not possessed the energy to spark the birth of America, and wrest their freedom from the British, Americans would not be the lively, outgoing, people they are. Think about your freedom to be active in groups of your choice. Think about America. Think about the bicentennial. Don't be ashamed to say with the rest of America, "Happy 200th Birthday, America!"

# Activities

Activities...bursting on the school year like 4th of July rockets...freeing spirit into the air and into the heart...ringing forth with loud peals of excitement, stirring souls into action like the bell of '76...activities, reflecting the spirit of America on her 200th birthday.

You can't stop the Knights.

Song can be very revealing.

Pep is always up in the air about something.

Pep, Pep, and...

Oh Dam! I missed the whole assembly.

## ...and More Pep!

There was eight on the bench and the little one said roll over...roll over...

Sexy legs are a requirement to be on flag.

No, no... Do t like the other girls.

A pep phenomenon: multiple belly buttons!

# Thirty Sought '76

## Crown

In the fine tradition of Lynwood Homecomings, thirty girls made it through three weeks of hectic campaigning. When posters were finally allowed to go up, the office windows were a maze of pictureless artwork. The campaigns were earmarked with Frankenstein, numerous Donald Ducks and Kelley Fletcher's KFI sayings. Although banners were not allowed this year, the candidates made up for it with an infinite amount of picket signs. Amid all the clutter, the Nominating Assembly pushed through to add a more serious note to the race. After a last hard week of campaigning and the Queen Candidate's Slumber Party, thirty nervous Misses awaited the results of the first election.

Water polo makes a good showing out of water, too.

Esther Torres listens intently to the graceful, lilting, melodies of the Lynwood wind section.

The gang waits in eager anticipation for the cars to start up.

Kitt Brooks (Belle) and Lori Vaught (Judy) display their theatrical talent in their fall play "NEED, WITHOUT A CAUSE".

The members of the gang try to prove their courage by hurling insults to their teacher, Miss Hannington (Jean Pinkston).

## Rebel Without a Cause Was a Great Success

Lynwood High School's Fall Play, **REBEL WITHOUT A CAUSE**, was a huge success. The plot concerned Jim Stark (Robert Pierce) as a new boy in school, and the problems he encountered in his first few days. Judy (Lorie Vaught) is the girl Jim meets and likes. The only problem is that Judy is property of Buzz, the leader of the gang and a "Wheel" in school. Jim and Buzz get into a "Chicken Run" in stolen cars and Buzz is killed.

The rest of the play followed Jim, Judy, and Plato, as they tried to get away from the gang. Meanwhile Ray the Juvenile Officer is trying to catch up with these kids before someone gets hurt. The combined efforts of the cast and crew under the supervision and direction of Hartley Wanner made the L.H.S. Fall Play another smash hit.

"Watch out Buzz! He's got a chain!"

The Freshmen year, like the first years of a new nation, was full of apprehension and difficulties. It was a time to adjust to the new surroundings. . . A time to set goals and, perhaps, start tradition. With unyielding odds against them, they pressed on, proving that it is possible to begin anew, and along the way, they found that they were more confident.

HIRE has that special taste, especially at "Knight."

"Sit bandi Sit!"

The talented student is one of the few persons on campus who can hold a plastic bag in her mouth and balance a candied apple on her leg at the same time.

Dear attendance office,  
The reason my son Chuck wasn't in school for the last 83 days is because he had a slight migraine headache.

A student stares fixedly at a blank piece of paper giving his teacher the impression that he is actually doing some work.

Did you know that Euell Gibbons finds that many parts of a concrete bench are EDIBLE??!

Uncle Clifty makes sure that everyone finishes all the food on their plates.

Oh boy, oh boy, oh boy, I'm sure having fun.

Knights of the round table

From this high vantage point, a Lynwood student philosophizes about the world situation as a hole.

I hope to  
good sum

A student gazes open mouthed after heart throb.

Where does this line go?

The Sophomore class, still challenged by the unheeding ways of school life, met the challenge with more experience from their Freshmen year behind them. Like a country in the second half of its centennial, they were still uncertain but more knowledgeable, preparing for their Junior year. Sophomores became more active as they found that school had to more to offer. And at the end of the year they knew they were on their way, they were becoming upperclassmen.

Cynthia Adams displays some toothsome spirit.

# Juniors Faced New Challenges As Upperclassmen

OK, OK. You can copy my homework.

Don't a James - President

A Lynwood critic shows a note of displeasure at what is happening on stage.

Jean Collins - Vice President

Lisa Mims - Secretary

Shirley Van Loon - Treasurer

"JAWS"

Rosa Ornelas suffers disgrace and humiliation after being rejected by Linda Delgado, who already has Doritos and does not want her lousy potato chips.

With the Junior year came the test of whether the first two years of high school were a success. Not unlike a great nation entering its second century, they were certain of their underclassmen accomplishments, but uneasy about their new found leadership. As they progressed through the year they found they were ready to use their experience in putting on the Junior-Senior Prom. And when it was all over, the Juniors uttered a great sigh of relief. They had succeeded, the Class of '77!

At the news of a Pep Assembly, this student says, "I would rather sleep."

Lunch time gives the students a chance to relax after a hectic morning of being educationally enlightened.

Juan Wood, Cynthia Adams, Kristie Lange, Renee Gordon—Senior Class Representatives.

1976 . . . The Bicentennial of our country . . . the graduation of our Senior Class. Both have been building up over a seemingly long period of time. Both will be well received. Starting the year, Seniors were in awe, finding new responsibilities and new privileges. Scholarships, college entrances and vocational training added strain to the year while Senior lunch passes, Senior square and only one semester of P.E. more to go made up for the other inconveniences. Toward the end of the year, the Class of '76 found they were graduating, but like our country, will be around for many years to come.

Football

# Varsity Football Was Highly Competitive in Its League.

Football Coaching Staff: S. K. Johnson, Dick Smith, Dave Thompson, Doug Doner, Larry Anderson.

Captains: Farrell Mack, Herbie Evans, Kevin Johnson

Victory is sweet and everyone loves a winner, and the Knights were winners. Their determination desire, and concept of sacrificing everything for the team has brought them a second place finish.

Each member of the group had his concept and ways but had to learn to shed his individuality and function as part of the team. The determination of Keith Marshall and Tom Gasper not to let the opposing team score, the sacrificing bodies of Tom Reed, Billy Thomes, Ken McCullough, and Ernie Placencia to open holes for Tony White, Farrell Mack, and Joe Aldridge. The desire of Dwayne Wilkes to get to an opposing tackle. The concept of linebacking of which both Kevin Johnson, and Herb Evans master easily. Coach Dave Thompson and his staff of S. K. Johnson, Rick Smith, Doug Doner, and Larry Anderson showed the team leadership it needed. Highlights of the season: a 34-0 win over Warren at their Homecoming. A 42-19 win over League champ Norwalk. Come from behind Victory over Rolling Hills and Pious X.

Soccer

# The Rising Popularity of Soccer Produces a Tough Team

Soccer is an upcoming, popular sport.

In America; where the average spectator's time is divided between Baseball, Basketball, and Football; Soccer crowds are gathering at an ever increasing rate.

The unique game plan and excitement has made Soccer a recognized sport at Lynwood High School under the able coaching of S.K. Johnson. The Knights finished second in the SGV League Championship.

Sean Jordan overtakes a surprised Pirate Harrier.

Ed Jackson gives all to win.

Cross Country is constantly pointed out by sports fans as a world for individuals. The harrier has an extraordinary quality of self-pride which is strengthened with each stride he takes, strides of endurance and courage.

The Knights of the '75 Cross Country team certainly displayed these qualities. The Lynwood Harriers had only five runners for most of the meets, while opponents had anywhere from ten to fifteen. Despite this, the Knights finished second over-all in league, and third in league finals. With such outstanding runners as Ed Jackson, Sam Taffola, James Endersby, Sean Jordan, and Frank Chavez, the Knights figure to be in the thick of things next year, especially with the expert coaching of Mr. Al Higa.

The highpoint of the season occurred when the Knights beat the league champs, Bellflower, 27-28 with two Knights sprinting ahead of two Bucs at the wire.

Super Soph James Endersby is in the familiar no 1 position.

Waterpolo had a successful season. This year the Raiders had to face the challenge of two new coaches Jim Solum, Merrille. At first it was hard for the team to adjust back to their usual college techniques after a rocky start the team got it's act together. The Raiders started to win some games. With Danny Hayes showing all out determination and Paul Bridgers showing agressiveness the Raiders finished fourth in the season.

Basketball

# Knight Cagers Pushed for First Place in SGVL

Coach William Notley

This year's Knight basketball team was expected to have an outstanding season. So far the Knights have done just that. Facing the roughest schedule they have had in years, the Knights have played outstanding ball. They played number one, rating with Long Beach poly on even terms for three quarters before bowing out.

The Knights have had a mixture of youth and speed on this year's team. Clearing the boards for the Knights was Senior Darrell Allums. Allums was the leading rebounder for the Knights. Playing forward like a pro was Tom Freeman. Freeman hit from every spot on the court. Tyren Nauls was an outstanding player on both ends of the court. Howard Henderson proved he could play with anybody in the league. Dave Mullins was the floor general, who kept the Knights under control. Dave also knew how to go to the hoop. John Ligon came off the bench to give the Knights that spark when it was needed. Coach William Notley, so far, has led his Knights to first place lead in the tough SGVL.

"Mr. Emotion," Coach Hiskey

The 1976 Varsity Baseball Team set out to defend Lynwood's three consecutive SGVL championships and bring a C.I.F. title home as well. Each member strained to achieve the touch of perfection Coach Hiskey demanded. The "mound corps" were lead by Tony White, Jake Gallin, and Dale Stevens. Lynwood's extremely tough hitting attack featured Lo Gray, Carlos Vargas, Doc Lewis and Dan Campos. The first year Varsity performance of David Layne, David Wilson and Larry Zavala made the unit solid. With Joe Storey breaking his hand in the pre-season, Dave Mullins was left to handle the majority of the catching chores. Mullins sometimes received a needed relief from JV catcher Jim Johnson. As this book went to press the team had won their second season game and showed excellent team work and a lot of potential power. This year's team gave Lynwood High School another good chance to take a trip back to Dodger Stadium and win the title this time!

Coach Shelby, Captain Chuck Morales, Coach Shelby.

The Lynwood High Varsity Tennis Team expects to at least equal last year's third place finish in the league. After a slow start, the Knights came on strong in the second round to capture 3rd place. Three year Lettermen Chuck Morales is again No. 1, while two year Letterman Mark Namestka is No. 2. Morales was rated No. 4 in the league last year, and again rated as one of the top players. Namestka will team with Tony Simoes (two year Letterman) to form one of the best doubles teams in the league.

Dennis Raphael moved up from the JV's to the No. 3 spot. He is one of the top sophomores in the league. John Smith started as a JV last year, but finished the season playing Varsity. Joe Calderon moved up from JV and will give us depth in either singles or doubles. The doubles team of Robert Wilson and Gilbert Van Loon took the JV doubles championship last year and is expected to do just as well as the Varsity level.

The JV is a young team, made up mostly of ninth and tenth graders. John Martinez, Jef Fletcher, and Saad Murad won JV letters last year and are expected to be the top JV players (if they do not move up to varsity). Top newcomers are Tim Linden, David Johnson, and Cedric Robinson. Others who had JV experience last year and who should help the team are Kurt Peterson, Alan Brown, and Ruben Espinoza.

# Girls' Varsity Netted a Tough Season

Top Row: Ida Vega, Delia Vega, Delina Vega, Kristin Yeretzian, Doreen McClain, Alice Munoz. Bottom Row: Debbie McCarthy, Estella Manor.

This year's volleyball team went through an agonizing season. Even though the season that they went through was tough, the volleyball team had its high points.

When scores got out of hand the Knights never gave up. They hustled and scrapped no matter what the score was. When the going got tough, Doreen McClain showed coolness and power. The all out play of Debbie McCarthy was another high point of this battle worn season. The leadership of Sandy Vega proved to be a big plus.

Through it all, Coach Carla Elger pointed the way for the team to go. She never gave up, no matter how hopeless the situation was.

# Girls' Basketball Aimed for CIF Title

Varsity Basketball Left to Right: Estella Manor, Alice Munoz, Debbie McCarthy, Kris Yeretzian, Toni Bland, Doreen McLain, Shotsy Carr, Brenda Jackson, Carol Ragsdale, Cindy Horne, Miss Elger

At this time of season the girls are six wins and one loss and in second place, one games out of first. We have played Bellflower for first place and another chance to go into CIF playoffs. For the last two years we have gone into the playoffs and expect to again this year. Last year's record was thirteen wins and one loss in the league. This year we expect the same, 13-1, since we lost once to Bellflower in the first game.

Captains: Left to Right: Kris Yeretzian, Doreen McLain, Shotsy Carr, Coach: Miss Elger

IN CONGRESS, JULY 4, 1776.

The unanimous Declaration of the thirteen united States of America.

The first on the course of the movement of human civilization is the struggle for the right to a free and independent life. This struggle is the result of the fact that the human mind is not content with the state of nature, but seeks to improve its condition. The first step in this process is the establishment of a government, which is necessary to protect the rights of the individual and to maintain order in society. The second step is the development of a system of laws, which are necessary to regulate the conduct of the citizen and to provide a means of redress for wrongs. The third step is the establishment of a system of education, which is necessary to cultivate the mind and to prepare the citizen for the duties of citizenship. The fourth step is the establishment of a system of religion, which is necessary to provide a moral and ethical foundation for the citizen. The fifth step is the establishment of a system of art and science, which is necessary to improve the material condition of the citizen and to provide a means of expression for the human mind. The sixth step is the establishment of a system of commerce, which is necessary to provide a means of exchange for the products of the human mind and to provide a means of increasing the wealth of the nation. The seventh step is the establishment of a system of industry, which is necessary to provide a means of producing the goods and services necessary for the life of the citizen. The eighth step is the establishment of a system of agriculture, which is necessary to provide a means of producing the food necessary for the life of the citizen. The ninth step is the establishment of a system of transportation, which is necessary to provide a means of moving goods and people from one place to another. The tenth step is the establishment of a system of communication, which is necessary to provide a means of exchanging ideas and information. The eleventh step is the establishment of a system of defense, which is necessary to protect the nation from external threats. The twelfth step is the establishment of a system of justice, which is necessary to provide a means of resolving disputes and of punishing wrongdoers. The thirteenth step is the establishment of a system of health care, which is necessary to provide a means of maintaining the physical health of the citizen. The fourteenth step is the establishment of a system of social services, which is necessary to provide a means of improving the quality of life of the citizen. The fifteenth step is the establishment of a system of culture, which is necessary to provide a means of enriching the human mind and of providing a sense of purpose and meaning to the citizen. The sixteenth step is the establishment of a system of international relations, which is necessary to provide a means of maintaining peace and cooperation between nations. The seventeenth step is the establishment of a system of global governance, which is necessary to provide a means of addressing the challenges of the global community. The eighteenth step is the establishment of a system of universal human rights, which is necessary to provide a means of protecting the rights of all people. The nineteenth step is the establishment of a system of sustainable development, which is necessary to provide a means of ensuring the well-being of future generations. The twentieth step is the establishment of a system of global peace, which is necessary to provide a means of ensuring the survival of the human race.

To Mrs. Smith  
I have been  
helped a great deal,  
by such a wonderful  
friendly person: hope you  
will be happy in your next  
stop. hope bywood high was good  
to you. happiness and love,  
Terri Brown
